## Radiating confidence and power – ALEAP “Light house of women Empowerment”

**Dear Members,**

With a vision to promote sustainable development ALEAP has taken various initiatives like ZED certification, Digital literacy and partnering with E-commerce platform like Amazon Saheli. We are also promoting women in technology to access market penetration in defence and various PSU's.

The increasing presence of women as entrepreneurs has led to big significant business and economic growth in the country. Women owned businesses are playing a prominent role in society by generating employment opportunities, bringing demographic shifts and inspiring for next generation of women founders.

ALEAP with a vision to promote the sustainable development of women entrepreneurs for balanced growth in the country, various networks, and countries collaborations, have been taken up by ALEAP. This enabled many start-ups to visualize the dreams. Currently the country has nearly 14% entrepreneurs, equal to 8.05 million and over 20% of the MSME sector companies are women led businesses. Breaking the societal norms of businesses and stereotypes, they are surpassing all challenges that come their way.

The year 2024 belongs to women-led startups and entrepreneurs due to the ecosystem prevalent in our country. We are happy to share about women business owners and startups that have disciplined the ecosystem with innovative ideas and unique approaches and skills.

Thus, we are moving towards a future where women lead in the entrepreneurial game, whether it means steering a company, solving real life problems with innovation or spearheading as unicorns.

*“Strive not to be a success but rather to be a value”*

**All the best  
Rama Devi. K**

# EVENTS

## International Women's Day at AIC ALEAP WeHub

On the 12th of March 2023, AIC ALEAP WeHub hosted a remarkable event to celebrate International Women's Day, showcasing a panel of distinguished speakers who are leaders in their respective fields. The event was a testament to the spirit of womanhood and the relentless pursuit of gender equality.

The panel included Ms. Jennifer Larson, the Consul General of the US Consulate General Hyderabad, who has been a champion for women's rights and empowerment. Dr. P Raghu Ram OBE, the Founding Director & Consultant Surgeon at KIMS, shared insights from his illustrious career in medicine and his contributions to women's health.

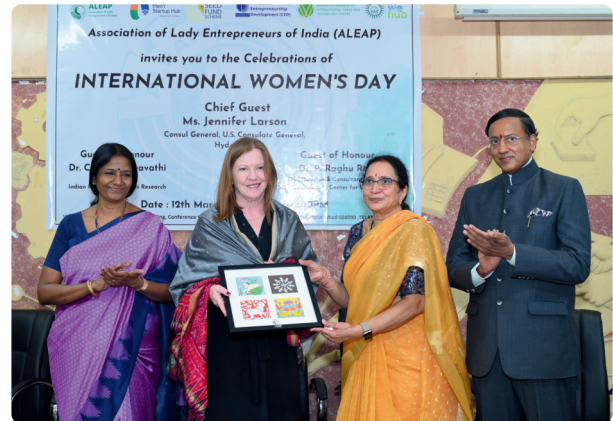

Dr. C Tara Satyavathi, Director of IIMR Hyderabad, highlighted the advancements in agricultural research and its impact on women in the sector. Smt. Susheela Chintala, CGM of NABARD, discussed the role of financial inclusion in empowering women entrepreneurs.

Dr. B Neeraja Prabhakar, Vice Chancellor of SKLTSHU, spoke about the importance of education in nurturing the next generation of women leaders.

Ms. K Rama Devi, President and CEO of AIC ALEAP WeHub, shared her experiences in fostering an ecosystem for women-led startups. Ms. V Sreedevi, Secretary of ALEAP, and Dr. Zahoorullah S MD, CIO, both emphasized the significance of innovation and technology in driving women's entrepreneurship.

The event not only celebrated the achievements of women but also sparked conversations on how to overcome challenges and unlock opportunities for women across various sectors. It was a day filled with inspiration and empowerment, leaving a lasting impact on all those who attended.

This celebration at AIC ALEAP We-Hub was a reflection of the organization's commitment to supporting women entrepreneurs and innovators, aligning with their vision of creating a sustainable startup ecosystem for women. The day was marked by the sharing of knowledge, experiences, and strategies to navigate the entrepreneurial landscape, making it a truly enriching experience for everyone involved.

# Transcend Hackathon 2023:

## A Platform for Innovation and Growth

The AIC ALEAP We-Hub, in partnership with Avishkaran NIPER, Hyderabad, hosted the Transcend Hackathon 2023, a two-day event that brought together 50 student innovators from 14 teams. The hackathon was a mix of creativity and innovation, providing a stage for the brightest minds to solve real-world problems.

Objectives of the Transcend Hackathon 2023:

1. Innovation: The hackathon was designed to foster a culture of innovation, encouraging students to think outside the box and develop creative solutions to pressing issues.
2. Product Development: Participants worked on developing prototypes and applications with the potential to make a tangible impact in the real world.
3. Problem Solving: The event challenged students to tackle complex problems, enhancing their critical thinking and problem-solving skills.
4. Learning Opportunities: The hackathon provided a dynamic environment for continuous learning and exposure to new technologies.
5. Showcasing Talent: It was an opportunity for students to showcase their talents and gain recognition for their innovative ideas.
6. Community Building: The event played a crucial role in building a community of innovators, developers, and tech enthusiasts.

7. Entrepreneurship: Students were encouraged to think like entrepreneurs, validating their business ideas through the development of prototypes or minimum viable products.

8. Networking: The hackathon created networking opportunities, connecting students with industry professionals and mentors.

Panel Highlights:

The panel featured esteemed personalities such as Dr. Sandeep, a veteran with 30 years of experience in Management Consulting, Investment Banking, and VC/PE, and Ms. Moina Qaz, who, with over 9 years of experience in the investment landscape, currently leads investment initiatives at Venture Catalysts Group. Their insights and expertise provided invaluable guidance to the participants, inspiring the next generation of innovators and entrepreneurs.

The Transcend Hackathon 2023 was not just an event; it was a journey of discovery, learning, and growth for all the young innovators involved. It exemplified the spirit of collaboration and the power of collective intelligence to bring about positive change

# Startups Innovators Conclave:

## A Hub of Innovation and Collaboration

The Startups Innovators Conclave, held from 29th to 31st December 2023 at Peoples Plaza, Hyderabad, was a vibrant gathering of the brightest minds in the startup ecosystem. Organized by the Association of Lady Entrepreneurs of India, the event was a melting pot of student innovators, startups, budding entrepreneurs, industry professionals, and investors.

### Event Highlights:

- Dr. Sushmitha, Director of RICH, Hyderabad, delivered an insightful talk on the burgeoning sectors of Healthtech and Medtech startups, emphasizing the transformative impact these industries can have on healthcare delivery.
- Dr. Gaurav Gupta, COO of Avishkaran NIPER, Hyderabad, spoke on Sustainable Development Goals (SDGs), carbon footprint reduction, and the success stories of startups in the agriculture, food, and life sciences sectors, inspiring attendees with tales of innovation and sustainability.

A fireside chat featuring Mr. Vinay Peddinti, Sr. Manager at T Hub, and Mr. Vijay Mogli, Manager of Social Project at BVIC, delved into the world of Deeptech startups and social enterprises, discussing the challenges and opportunities in these cutting-edge fields.

- Col. B. S. Rao, CEO of SRIX Innovation Hub, and Mr. Satyanarayana Vaddi, Venture Capitalist & Founder of Finanomics, engaged in a dynamic session on the validation of startups, offering valuable insights into the journey from ideation to market viability.
  - Mr. Sandeep Poddar concluded the series of talks with a deep dive into Angel Networks Investment, shedding light on the crucial role of angel investors in nurturing early-stage startups.
- The conclave was not just an event but a celebration of innovation, providing a platform for networking, showcasing products, connecting with investors, and exploring potential collaborations. It was a testament to the entrepreneurial spirit, driving forward the vision of a collaborative and innovative future.

# TRAINING PROGRAMS

## Sensitization on Regulatory Affairs of Food & Ayush Innovations with Industry 4.0 Technologies

On November 18, 2023, a pivotal training program was conducted, focusing on the Regulatory Affairs of Food & Ayush Sectors. This program provided a comprehensive overview of the regulatory landscape, including the online platforms for obtaining food licenses and approvals, the role of inspection authorities, and the regulatory mechanisms in place for food products, facilities, and units.

The event featured a distinguished panel of experts who shared their insights and expertise. The speakers included Dr. Ch Anjaneyulu, Mr. D Parthasaradhi and Ms. Veena Hanamsagar, Participants gained valuable knowledge on the approval processes, licensing requirements, and potential penalties for non-compliance within the food units. The program was a significant step towards enhancing understanding and compliance with the regulatory frameworks that govern our food systems and alternative medicine sectors, ensuring safety and innovation go hand in hand.

## Empowering MSMEs: Navigating Exports, and Forex Compliance

An enlightening awareness program was recently held, focusing on the intricacies of exports, imports, and forex compliance management, along with the MSME Competitive Lean Scheme. The program aimed to demystify the processes involved in international trade from an Indian perspective and to elucidate the forex compliance management system.

The session was graced by a panel of experts, including Ms. K Rama Devi, Mr. Himanshu Rajendra Asthana, Mr. Uma Maheshwar Rao, and Mr. V Sanjanna, who brought their extensive knowledge and practical insights to the table. They provided a deep dive into the MSME Competitive Lean Scheme, highlighting its benefits in driving efficiency and competitiveness among Indian MSMEs.

Participants were treated to real-world examples and case studies, which demonstrated the application of forex compliance management systems in the context of imports and exports. This program was a valuable resource for MSMEs looking to expand their horizons and streamline their operations in the global market.

## Orientation on Company Registration Process, Company Secretary Services, Business Cycle and Financial Budget Management:

The session on 20th and 21st of November 2023, a pivotal master class was conducted, focusing on the Company Registration Process, Company Secretary Services, Business Cycle, and Financial Budget Management. This session provided attendees with a wealth of knowledge essential for navigating the corporate landscape was graced by Ms. K Rama Devi, Mr. Krishna Kumar Akkiraju, Dr. Zahoorullah S MD.

## Meet and Greet with CIO: A Gateway to Startup Success

On December 1st, 2023, an engaging meet and greet session was held with Dr. Zahoorullah S MD, the Chief Information Officer (CIO), who shared his valuable insights on leadership and growth in the startup ecosystem.

### Key Highlights:

- **Know Your Captain:** Dr. Zahoorullah provided a deep dive into the qualities of effective leadership and how it can steer startups towards success.
- **Value Addition for Startups:** The session focused on the unique contributions a CIO can make to nurture and scale startup ventures.
- **Business Incubation Centre Services:** Attendees were introduced to the extensive services offered by the Business Incubation Centre, designed to support budding entrepreneurs.
- **Support from AIC ALEAP We Hub:** The event also highlighted the comprehensive hand-holding support provided by AIC ALEAP We Hub, which is instrumental in fostering startup growth.
- This session was a part of our continuous effort to empower entrepreneurs with knowledge and resources, ensuring they have the support needed to thrive in today's competitive market.

## Startup India Carnival 2.0: Igniting Innovation and Entrepreneurship

The AIC ALEAP We Hub successfully hosted the Startup India Carnival 2.0 on January 17th, 2024, a vibrant confluence of ideas, innovation, and inspiration for the startup community.

### Event Highlights:

- **Speaker Sessions:** Esteemed speakers like Dr. Manzoor Hussain and Mr. S Shankar Kundu shared their insights on the startup ecosystem and the role of academic institutions and innovation hubs in fostering entrepreneurial spirit.
- **Exhibition Conclave:** A showcase of cutting-edge products and services from promising startups, providing a platform for networking and collaboration.
- **Fireside Chat Sessions:** Intimate and insightful discussions with industry leaders such as Mr. Rameswar Mandal and Mr. Anubhav, who delved into the challenges and triumphs of building a startup.
- **Startup Awards:** Recognition of outstanding startups that have shown exceptional growth and innovation, encouraging a culture of excellence and achievement.
- **Success Stories:** Motivational journeys of startups like Arka Foods and Alien Innovations, narrated by Ms. K Volga and Mr. T Ravi Kiran, which highlighted the path from ideation to success.

The event was a testament to the thriving spirit of entrepreneurship in India and the supportive ecosystem that AIC ALEAP We Hub has cultivated for startups to flourish.

“Leading with Innovation,  
Delivering Excellence”

## Intellectual Property Training for Startups: A Comprehensive Overview

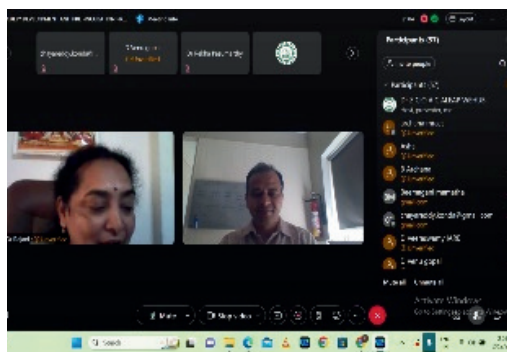

In a significant initiative to bolster innovation, the AIC ALEAP We-Hub recently hosted a comprehensive training program on Intellectual Property (IP) Facilitation for Startups was held on February 5, 2024. The session was rich with insights on Case Studies involving Patents, Trademarks, and Copyrights, providing practical knowledge on navigating the IP landscape.

Participants benefited from an in-depth understanding of the Support System provided by both State and Central Government, aimed at encouraging innovators to secure their IPs. The program also demystified the Processes associated with Patents, Trademarks, & Geographical Indications (GIs), while addressing common Misconceptions and outlining the essential Do's and Don't's in the IP domain.

A highlight of the event was the focus on how startups can effectively Leverage IPs to their advantage, the training featured a lineup of distinguished speakers:

- Prof. Unnat P Pandit, Controller General of Patents, Designs and Trade Marks, Ministry of Commerce and Industry, GoI, who shared his expertise on the strategic aspects of IP management.
- Ms. Dhruthi Choudhury, Branch Head at Altacit Global, who brought to the table her extensive experience in IP law.
- Ms. Isha Sharma, Founding Partner at Trayambak & Viadroit, who provided valuable legal perspectives on IP utilization.
- Mr. Ranjith Reddy Kondeti, Patent Agent & IP Attorney at Velocity Research, who offered insights into the technicalities of patent filing.
- Ms. K Rama Devi, CEO, and Dr. Zahoorullah S MD, CIO, both of whom contributed significantly to the discourse on IP in the startup ecosystem.

## Empowering Educators: National Level FDP & Pre -Incubation Program

A landmark event for educators and innovators, the National Level Faculty Development Program (FDP) & Pre Incubation Program, was held from February 19th to 21st, 2024. The program was a melting pot of ideas and discussions on Innovation, Entrepreneurship, and Startups, with a special emphasis on Preincubation Program Services and Funding Opportunities for startups and innovators.

The sessions provided valuable insights into Intellectual Property Rights (IPR) and Technology Transfer (TT), with a special focus on the pivotal role of Atal Incubation Centers, the Startup India Seed Fund Scheme (SISFS), MeitY TIDE 2.0 Scheme, and the AIM Seed Fund in nurturing the startup ecosystem.

Esteemed CEOs from various Incubation Centers across India graced the event, sharing their expertise and experiences. The speaker lineup included:

- Prof. R Sridevi from JNTUH, who enlightened the audience on the core concepts of innovation.
- Dr. Shivakiran M S, CEO of AIC-SKU, and Mr. Anil Ranjan, CEO of AIC BAMU, who discussed the nuances of preincubation services
- Dr. Tej Chingtham, CEO of AIC-SMUTBI, Mr. Manvendra Yadav, CEO of AIC EMPI, Ms. Sheeba Khan, CEO of AIC Shiv Nadar, and Dr. Mohit Dubey, CEO of AIC-MIT ADT, who delved into the intricacies of funding and support for startups.
- The program was a beacon for faculty members, equipping them with the knowledge to guide the next generation of innovators and entrepreneurs towards a brighter future.

### Startup Boot Camp: A Catalyst for Entrepreneurial Success

The AIC ALEAP We-Hub recently concluded a dynamic Boot Camp on March 4th and 5th, 2024, designed to equip budding entrepreneurs with the tools for success. The two-day event covered a spectrum of essential topics like

- **Company Registration:** Guided by a Chartered Accountant, attendees learned the legalities of forming a company.
- **Branding Essentials:** A Branding Expert elucidated the key components of effective branding collaterals.
- **Intellectual Property:** A Patent Attorney provided clarity on securing Patents & Trademarks.
- **Product Design & Development:** Industry Experts shared their wisdom on transforming ideas into tangible products.
- **Sales & Marketing:** An Industry Mentor offered strategies to elevate a startup's market presence.

The boot camp featured an impressive roster of speakers, including Mr. Subba Rayudu, Dr. P Muralidhar, Mr. Ranjith Reddy, Mr. Abhay Ekbote, Mr. Sai Srinivas, Mr. P Venkateswarlu, Mr. Phani Prakash, and Mr. Vikram, who collectively contributed to a reservoir of knowledge, propelling participants towards entrepreneurial excellence.

### Venture Capital Insights: Accelerator Program Series VC & AN Connect

On March 22, 2024, the Accelerator Program Series VC & AN Connect offered an invaluable training session for startups and entrepreneurs. The program provided a deep dive into the mechanics of Venture Capital (VC) and Angel Networks (AN), demystifying how these financial mechanisms operate to support burgeoning businesses.

Key highlights included an in-depth session on startup valuation, a critical aspect for entrepreneurs seeking investment. The speakers brought a wealth of knowledge and experience:

- Mr. Sandip Poddar, Co-Founder of Navikarna Ventures, shared his expertise on navigating the VC landscape.
- Ms. Vaishali from Endiya Partners offered insights into the investment process and valuation methodologies.
- Ms. K Rama Devi, CEO, rounded out the discussion with strategic advice on engaging with investors.

This program was a cornerstone for participants looking to understand and leverage venture capital and angel investments for their startup growth.

### Boosting Business with Flipkart: India Supplier Development Program

The India Supplier Development Program, held on March 26, 2023, was a pivotal event for businesses looking to expand their reach through Flipkart. The program offered:

- **Business Development Support:** Tailored to help businesses flourish on Flipkart's platform.
- **Business Incubation:** Exclusive support to nurture and grow businesses on Flipkart.
- **Collaborative Learning:** Virtual classrooms enabled MSMEs to network and expand their connections.
- **Advanced Training:** Industry consulting and personalized advisory support to maximize business potential.

The event featured insights from Mr. Awesz Bukhari, Regional Head-South at Walmart Vriddhi, Mr. Ajit Rajan, Sr. Enterprise Enabler, Smt. K Rama Devi, CEO, and Dr. Zahoorullah S MD, CIO, who collectively contributed to empowering businesses to reach new markets and customers

# ACADEMIC PARTNERSHIP

MoU was entered between our incubation center and Gudlavalleru Engineering College.

**Gudlavalleru Engineering College:** Gudlavalleru Engineering College (GEC) is an esteemed institution located in Krishna, Andhra Pradesh. It's an autonomous college permanently affiliated to JNTUK, Kakinada, and has been accredited with an 'A' Grade by NAAC1. Established in 1998, the college was founded by Late Vallurupalli Venkata Rama Seshadri Rao and has grown significantly over the years.

Type of collaboration and the support provided :

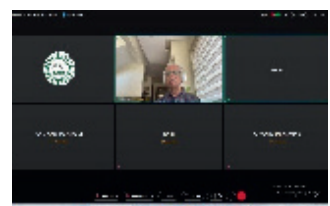

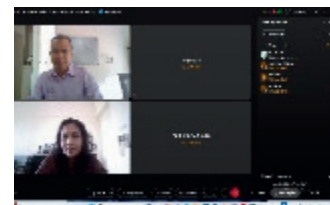

- To jointly organize awareness generation events on "Entrepreneurship Development" and Startup Hackathons, Workshops and Student Startup Training Programs
- To Provide support and participation in student / faculty-oriented events organized by each party
- Networking for mutual benefit
- To Provide infrastructure in terms of space in conducting events with mutual support
- Recognizing the other party as a partner organization in selected events with mutual interest-organize Product exhibitions at the Organize Product exhibitions at the Institutions to encourage marketing skill
- To create and execute awards and certifications for best innovations

# MENTORING SESSIONS

One to one mentoring sessions to our startups
